"Feature" Your Brands

Ensure Your Brands Are Seen By Low-Funnel RV Shoppers ...

Think for a moment like an RV consumer Buyer, a Buyer who's looking to buy! How would you "shop" for a new RV? Well first, you'd Google it:

Google

Google

And then quickly – just like 720,000 other unique RV shoppers/month – you will likely land on RVT.com where you will run multiple Searches of dealer inventory.

Now, back to thinking like an RV OEM, you know ...

- Your dealers must advertise (and sell!) all of their Brands, NOT necessarily YOUR Brand.
- But, you want YOUR Brand sold by your dealers over any OTHER Brands.

So, as a Manufacturer, why not "Feature" YOUR Brands – in the most prominent place on RVT.com? ... at the top of ... where Buyers Search!

Inquire today. Ask about **Featuring Your Brands at the Top of Searches on RVT.com.**

5th Wheel RVs, or Fifth-wheel trailers, are designed to be coupled to a special hitch mounted over the rear axle in the bed of a pickup. These trailers can have one, two or three axles and are the largest type of trailer built. Because of their special hitch requirements, fifth-wheel trailers can only be towed by trucks or specialized vehicles prepared for fifth-wheel trailer compatibility. Find your next 5th Wheel RV for sale below.

OEMs: Don't let dealers "buy up" the Top row of Featured Listings on RVT.com's Search Results pages. Why? Because dealers will feature ALL their Brands. Not good! You want YOUR Brands at the Top of the Buyer Searches! Call me. Let's discuss.
